About PAX

Located in Taiwan and established in 1981, Yee Jee Technology Co., Ltd. is an enterprise that specializes in the manufacture and export of rubber tire patch products for bicycles, motorcycles, automobiles, trucks and lorries. Known globally as PAX, it then expanded its product lines to include DIY tools and repair products, providing clients with the most comprehensive integrated products and services.

PAX takes pride in the “quality” of its products as well as the competitiveness it provides. For over 40 years, PAX insists on using natural rubber to ensure durability and usage safety of its products. In times of need, PAX’s high quality tire repair products safeguard driving safety by stabilizing tires, thereby gaining significant praise and support in the global tire repair market.

PAX adopts the slogan “Focus, You Care” in working toward its brand vision - “Profit sharing, giving back to society.” We assist our partners in developing complete and thorough product plans. Every year, forward-looking schemes are tailored for the R&D of new products. Starting from initial raw materials, PAX implements strict control measures for each stage of the production process, providing crucial and reliable safety for drivers.
