## YEE JEE TECHNOLOGY CO., LTD.

WORLD'S GO-TO BRAND FOR TIRE REPAIR PRODUCTS.

Located in Taiwan and established in 1981, Yee Jee Technology Co., Ltd. is an enterprise that specializes in the manufacture and export of rubber tire patch products for bicycles, motorcycles, automobiles, trucks, and lorries. Known globally as Pax, it then expanded its product lines to include DIY tools and repair products, providing clients with the most comprehensive integrated products and services.

The word PAX originates from the Latin word for "Peace." We believe that our tire patches will accompany PAX's Dove of Hope in traveling to every corner worldwide, promoting Pax's values – "Outstanding Quality, Operation with Integrity, Profit Sharing, Continuous Improvement." Pax adopts the slogan "Focus, You Care" in working toward its brand vision – "Profit sharing, giving back to society."

We also accept OEM/ODM manufacturing. We assist our partners in developing complete and thorough product plans. Every year, forward-looking schemes are tailored for the R&D of new products. We are confident that our environment and equipment will satisfy the demands of our customers. Starting from initial raw materials, Pax implements strict control measures for each production stage, providing drivers with crucial and reliable safety.

Attentive To Your Needs, Together We Acquire Future Success.
